## International Student Essay Competition

On the 26<sup>th</sup> February 1993 in Istanbul, the Speakers of the Parliaments of nine countries – Albania, Armenia, Azerbaijan, Georgia, Republic of Moldova, Romania, Russian Federation, Turkey and Ukraine – adopted the Declaration on the Establishment of the Parliamentary Assembly of the Black Sea Economic Cooperation (PABSEC - <http://www.pabsec.org/>). At present, PABSEC is composed of 76 parliamentarians representing twelve Member States of the Organization of the Black Sea Economic Cooperation (BSEC - <http://www.bsec-organization.org/>), including Bulgaria, Greece, Serbia.

Being an inter-parliamentary consultative body of the BSEC, the Assembly has been uniting the efforts of national parliaments to pursue the following aims, as stated in the preamble of the PABSEC Rules of Procedure:

- to secure the understanding and adoption by the peoples of the ideals and aims of the Black Sea Economic Cooperation;
- to provide a legal basis for economic, commercial, social, cultural and political cooperation among the member countries;
- to enact legislation needed for the implementation of decisions taken by the Heads of State or Government or by the Ministers of Foreign Affairs;
- to provide assistance to national parliaments so as to strengthen parliamentary democracy;
- to promote cooperation with other international and regional organisations.

On the occasion of its 25<sup>th</sup> Anniversary to be celebrated in 2018, the PABSEC is organising, in partnership with the Black Sea Universities Network (BSUN – [www.bsun.org](http://www.bsun.org)), a *student essay competition* on the “*Views and Perspectives for the Future in the Black Sea Region*”. The competition aim is to bring together young people’s views on the future development of the BSEC Region and shaping the vision for the future of our region in cultural, political and economic terms. The participants will have the unique opportunity to take part in a regional educational project and to express their views, dreams and expectations for the future.

The topic proposed for the competition is:

***“Twenty-five years of the Parliamentary Cooperation in the BSEC Region – Views and Perspectives for the Future”*** – The parliamentary cooperation in the region has a long tradition. But, after the adoption of the Declaration on the Establishment of the Parliamentary Assembly of the Black Sea Economic Cooperation (PABSEC) on 26<sup>th</sup> February 1993, in Istanbul, the Parliamentary cooperation entered in a new pace by uniting the efforts of the national parliaments to pursue the following aims: to secure the understanding and adoption, by the peoples, of the ideals and aims of the Black

Sea Economic Cooperation; to provide a legal basis for economic, commercial, social, cultural and political cooperation among the member countries; to enact the legislation needed for the implementation of the decisions taken by the Heads of State or Government or by the Ministers of Foreign Affairs; to provide assistance to the national parliaments so as to strengthen the parliamentary democracy; to promote the cooperation with other international and regional organizations. Which are the most significant achievements up to now and what kind of future perspectives have to be taken into consideration?
